MAY 2009 NEWSLETTER

Hi everyone

Winter is almost upon us and we find ourselves dusting off the heaters and bringing out the electric blankets.

Here at Soprano things are heating up with our new wall heaters. They are thermostat controlled which means they keep you cosy while enjoying a perfect meal!

Speaking of meals, our new winter menu is now available with lots of warming goodies to try. But dont panic!... our much loved mussels and calamari are still on the menu ☺.

We have more good news for you regarding our menu change. We know things are tight right now and to make sure you still get the treat you deserve, we have reviewed our prices, we think you will be pleasantly surprised.

So, what are you having for dinner tonight?

TAKEAWAYS – Did you know that Soprano takes phone orders for takeaways? All you need to do is ring us on 5689557 with your order and then come and pick it up. EASY! Please note that a limited menu applies and can be found on this website under the Takeaways Tab.

Don't forget Mum this MOTHERS DAY, treat her to a fantastic dinner at Soprano, who are opening, just for you, this SUNDAY 10 MAY from 5pm. Children are ALWAYS welcome at Soprano and you don't have to bring the whole house - we now have a booster seat that straps to our normal chairs.

Our monthly business card winner for APRIL was David Selig. Congratulations. David has won a \$50 dinner voucher.

MUSIC MONTH – May is music month. After your show/gig, if you're looking for dessert and coffee, why not come and check out ours!

Well that's all for now from us at Soprano. We look forward to seeing you soon.
